This student book covers the full BTEC Level 2 Business Diploma, including in-depth coverage of the four mandatory units and the 11 most popular units.

The student book focuses on developing the skills behind the established 'pre-production, production, post-production, reviewing' process that underpins creative media production. It helps learners achieve their potential, provides assessment activities, and grading tips for pass, merit and distinction.

*Covers 16 units of the new specification, giving learners enough units to cover the full diploma. 12 units are supplied in print, with a further 4 supplied online. *Embedded Functional Skills and Personal Learning and Thinking Skills with activities throughout the book. *Achieve your potential: Assessment activities and grading tips in each unit give learners plenty of practice to deepen their knowledge and understanding, clearly explaining what they need to do for Pass, Merit and Distinction, so they can achieve their best possible grade. *Edexcel's Assignment tips: Written by experts in the BTEC team, there's invaluable unit-by-unit advice on how learners can get the most from their BTEC course. *Put yourself in the professionals' shoes: WorkSpace case studies take learners into the real world of work, showing them how they can apply their knowledge in a real-life context. *Advice from former students showing current learners how they can make their BTEC experience a stepping stone to success.

Covers three core units and a range of optional units. * Each unit of the Student Book is presented in topics to ensure the content is accessible and engaging for learners. * Covers of all the underpinning knowledge and understanding needed at Level 2 to ensure that learners are fully prepared for this course. * Activities in each unit provide support and clear direction for learners and can be used in the classroom or for independent work. *New Assessment Zone guides learners through both internal and external assessment. *Assessment activities and grading tips will help learners to achieve their potential in internally assessed units.

BTEC Level 2 Firsts in Sport Student Book: Second Edition has been fully revised to match the new BTEC specification for first teaching September 2013. It uses the same active, accessible approach that you know and love, but with updated content to support all the units in the specification and the new external assessment.

Resources designed to support learners of the new next generation BTEC First in Children's Play, Learning and Development specification*. Covers the underpinning knowledge and understanding for all core, mandatory and optional units for the Award and Certificate and all core and mandatory units for the Extended Certificate. The attractive, accessible layout is packed with learning features, which draw out key points and bring topics to life. Provides support and practice for learners as they work towards the Award, Certificate and Extended Certificate. Units include plenty of activities and assessment guidance to help learners achieve their potential. Case Studies reflect the work-related nature of the qualification, so that learners are more able to put theory into practice in real-world settings. Assessment activities help learners to achieve their potential in internally-assessed units and support external assessment. * From 2012, Pearson's BTEC First qualifications have been under re-development, so schools and colleges could be teaching the existing 2010 specification or the new next generation 2012-2013 specification. There are different Student Books to support each specification. If learners are unsure, they should check with their teacher or tutor.

A clearly written and easily accessible textbook that encourages independent study, covering all the core material required for the BTEC First Certificate and Diploma. Knowledge-check questions and activities are included throughout, along with review questions and worked mathematical examples, all of which relate to real-world engineering contexts. Students will gain a valuable insight into various areas of engineering technology and related industries, providing a potential springboard to further training, qualifications, or suitable employment. For those students wishing to progress to BTEC National, this textbook covers all the vital material required as a prerequisite to NVQ Level 3. New in this edition: Updated in line with the 2010 changes to the BTEC First specifications Includes detailed information on assessment, featuring example questions and answers Layout and design changes provide extra clarity

This title covers all three mandatory units and a selection of optional units, with each presented in topics to ensure the content is accessible and engaging for learners. It covers all the underpinning knowledge and understanding needed at level 2 to ensure that learners are fully prepared for this course.
