I want the pain to stop, and its never going to until I die. There really is no help out there, Ive searched for years.

In a lush, green forest, a sloth sleeps. Turn the pages of his story--told in a stunning pop-up display--to witness the tragic process of deforestation and watch as a single seed brings new life. Inventive design and bold art illustrate this important lesson about the environment and the rebirth of what was lost.

Several animal friends begin the day together with breakfast and spend time playing outdoors, in a book featuring rhyming text. On board pages.

When Frank Thorpe, a deeply moral former undercover operative, sees a hard-charging art dealer knock down a Latino child in LAX airport, he decides to teach him a lesson. But Thorpe's plans get a little out of hand, and Thorpe becomes immersed in a criminal underworld peopled by a drug dealing surfer with a socially-climbing wife, two mentally challenged goons with a penchant for violence, and a vicious Romanian named Vlad. *The Wake-Up* is an absolutely irresistible, outrageously comic thriller that starts off with a bang and never lets up until the end.
