Kiva Fellow ready to explore the world! When I write this, I have just arrived in my new hometown for the next four months, Kigali, the capital of Rwanda. Slowly I am getting used to being in one place for more than two consecutive weeks after having spent the past few months travelling over three continents to twelve countries with more than 200 hours on at least forty flights.

Exploring the World of Music shows how elements such as melody, rhythm, and texture create an infinite variety of sounds and serve as expressions of culture. Through rare archival footage and contemporary performances, the series presents themes such as music and the environment, music as cultural memory, and how technology changes music.
