Jonathan Wild - A BBC Radio Historical Drama ~~CJ Sansom Winter in Madrid Audiobook Part 2 Shardlake series Heartstone The Shardlake Series~~

Heartstone, the concluding episode in the Shardlake series is set in the year 1545 at the time of King Henry V111's war against the French and depicts the sinking of the Mary Rose battleship. Once again an extremely slow start which only gets going about 70% in to the book but as in it's predecessors has a spectacular ending if a little drawn out this time.

The eagerly anticipated new Shardlake novel from the UK #1 bestselling author. Summer, 1546. King Henry VIII is slowly, painfully dying. His Protestant and Catholic councillors are engaged in a final and decisive power struggle; whoever wins will control the government of Henry's successor, 8-year-old Prince Edward. As heretics are hunted across London, and the radical Protestant Anne Askew is burned at the stake, the Catholic party focus their attack on Henry's 6th wife, Matthew Shardlake's old mentor, Queen Catherine Parr. dispute between rival siblings. Then, unexpectedly, he is summoned to Whitehall Palace and asked for help by his old patron, the now beleaguered and desperate Queen. For Catherine Parr has a secret. She has written a confessional book, *Lamentation of a Sinner*, so radically Protestant that if it came to the King's attention it could bring both her and her sympathizers crashing down. But, although the book was kept secret and hidden inside a locked chest in the Queen's private chamber, it has--inexplicably--vanished. Only one page has been found, clutched in the hand of a murdered London printer. Shardlake's investigations take him on a trail that begins among the backstreet printshops of London but leads him and Jack Barak into the dark and labyrinthine world of the politics of the royal court; a world he had sworn never to enter again. Loyalty to the Queen will drive him into a swirl of intrigue inside Whitehall Palace, where Catholic enemies and Protestant friends can be equally dangerous, and the political opportunists, who will follow the wind wherever it blows, more dangerous than either. The theft of Queen Catherine's book proves to be connected to the terrible death of Anne Askew, while his involvement with the Cotterstoke litigants threatens to bring Shardlake himself to the stake.
