Sakura opens an old book and learns that it was made by a magician named Clow Reed to hold the powerful, living Clow cards, but the cards have escaped and she must recapture them before they use their abilities to do evil.

-Take a breath, imagine dragons, legends shadowed in the mist. Close your eyes in willing wonder - you can make them all exist.- With full color illustrations and exciting and humorous poems, kids and parents alike will enjoy this look into a world where dragons exist. Kai Satoshi's whimsical and thoughtful poetry along with his beautiful images creates a world of wonder and a place we would all love to live.

Ask Dr. Mueller captures the glamour and grittiness of Cookie Mueller's life and times. Here are previously unpublished stories - wacky as they are enlightening - along with favorites from Walking Through Clear Water in a Pool Painted Black and other publications. Also the best of Cookie's art columns from Details magazine, and the funniest of her advice columns from the East Village Eye, on everything from homeopathic medicine to how to cut your cocaine with a healthy substance. This collection is as much an autobiography as it is a map of downtown New York in the early '80s - that moment before Bright Lights, Big City, before the art world exploded, before New York changed into a yuppie metropolis, while it still had a glimmer of bohemian life.

Empire, State, and Society assesses the external and internal forces behind Britain's transformation from global superpower to its current position in the twenty-first century. The authors provide an accessible and balanced introduction, which is thoughtfully organized for ease of use for both students and teachers. Offers a crucial comparative dimension which sets the experience of Britain alongside that of twenty-first-century superpower, the United States of America Draws on recent scholarship to provide a highly current perspective Organised to allow professors to assign readings with more or less depth as student abilities and course lengths allow Written in a style that is wholly accessible and exciting for undergraduates in both the US and the UK

Learn how to heal yourself and your animals with Reiki meditation. Reiki is a system of spiritual practice which uses meditation and compassion as keys to unlock healing potential. Sharing meditation with animals can help guide us toward being better people and creating a healthier planet, one where people nurture wellness through the practice of peace and a life of joyful service to others. Considered by many to be the world's premier animal Reiki expert, author Kathleen Prasad

shares over thirty of her favorite meditations in this special book. Everything Animal Reiki will guide readers with: an introduction to the system of Reiki as a meditative practice, how to meditate with animals and their people, grounding meditations, expansion meditations, connection meditations, affirmation meditations and helpful articles illuminating different aspects of animal Reiki practice.
