Individualization: Institutionalized Individualism and Its ...
Individualization argues that we are in the midst of a fundamental change in the nature of society and politics. This change hinges around two processes: globalization and individualization. The book demonstrates that individualization is a structural characteristic of highly differentiated societies, and does not imperil social cohesion, but actually makes it possible.

Ulrich Beck and Elisabeth Beck-Gernsheim: Individualization ...
there is a big difference to be made between individualization where there are institutional resources like human rights, education and the welfare state to cope with the contradiction of modern biographies and [atomization] where there are not. The neoliberal market ideology enforces atomization with all its political will.
