Intelligent Business is a range of Business English materials that includes components specifically designed to meet the need of students who either need to learn business through English or perform familiar business tasks in English.

'Intelligent Business' uses authentic materials from 'The Economist' magazine and covers key business concepts within a comprehensive business English syllabus.

With its informative and authentic material from The Economist (c), the Intelligent Business Coursebook helps students to increase their knowledge of key business concepts whilst learning English. The course can be used in preparation for exams such as BEC and BULATS.

The Intelligent Business Workbook consolidates the language of the Intelligent Business Coursebook by providing further practice of key vocabulary, grammar and skills. Throughout the workbook there are Cambridge BEC style tasks to familiarise students with the exam.

Intelligent Business uses informative and up-to-date authentic material from the Economist. It is fully benchmarked alongside the Cambridge BEC exam suite and Common European Framework.

Prepare your students for the world of business with the Intelligent Business Coursebook. Using authentic materials from the Economist © magazine Intelligent Business covers key business concepts within a comprehensive business English syllabus.
