Beautifully written and gorgeously illustrated, The Old Geezers Vol 1 features two complete stories: " Alive and Still Kicking " and " Bonny and Pierrot " , plus bonus material. An international bestseller, regularly topping the graphic novel bestseller lists across Europe with hundreds of thousands of copies sold. A movie based on the series also came out in 2018, with a sequel in development.

The story behind the creation of one of the most celebrated, revolutionary animated series of all time X-Men: The Art and Making of the Animated Series takes fans behind the scenes of the landmark cartoon that laid the groundwork for the dozens of Marvel Comics adaptations that followed. Interviews with series writers, producers, executives, and artists reveal the razor's edge that Marvel and Fox navigated in order to bring the X-Men to television, and detail the tough decisions, compromises, and brilliant solutions that resulted in a series that has been lauded by critics and fans for nearly three decades. Along the way, readers will encounter such comics and entertainment luminaries as Stan Lee, Avi Arad, and Haim Saban. This book gives a firsthand account of what it's like to develop, pitch, design, write, draw, direct, and produce an animated series, accompanied by rare original art, animated cels and still frames, and production and merchandising ephemera.
