Based on the authors' market-leading E-Commerce. Business. Technology. Society., this brief book offers the same thought-provoking and current content but in a brief format. E-Commerce Essentials emphasizes the three major driving forces behind E-commerce—technology change, business development, and social issues—to provide a coherent conceptual framework for understanding the field.

Appropriate for both undergraduate and MBA students, this textbook examines the role of information systems in business and

Download Ebook Kenneth C Laudon And Jane P

management. The authors describe the organizational and technical foundations of information systems, decision support systems, and the process of redesigning an organization. The fifth edition is reorganized to focus on the use of the internet to digitally enable business processes. Annotation copyrighted by Book News, Inc., Portland, OR
