All pages are filled to the brim with activities for maximum educational value. High-interest features and real-world applications enliven the learning experience and hold student interest. Week-by-week summer study plans support use as a "summer bridge" learning and reinforcement program. All content aligned to state and national standards. Instructional content is scaffolded; students are shown examples, then prompted through the process of solving problems independently. Complete review of Grade 4 math aligned to the new "common core" state standards. Week-by-week study plans support use as "summer bridge" program for children entering Grade 4. Drill and practice to reinforce learning. Market / Audience The market for these books consists of parents who are anxious because their children have to take NCLB tests or because their children are falling behind in school. Other parents will buy the books simply because their children need or want additional practice to reinforce school-taught skills. Sales for this type of workbook always peak in late spring when parents look for "summer bridge" study aids. A week-by-week summer study plan included in the book supports this use.

Turning his distinctive analytical lens to the politics of American

education, Joel Spring looks at contemporary educational policy issues from theoretical, practical, and historical perspectives. This comprehensive overview documents and explains who influences educational policy and how, bringing to life the realities of schooling in the 21st century and revealing the ongoing ideological struggles at play. Coverage includes the influence of global organizations on American school policies and the impact of emerging open source and other forms of electronic textbooks. Thought-provoking, lucid, original in its conceptual framework and rich with engaging examples from the real world, this text is timely and useful for understanding the big picture and the micro-level intricacies of the multiple forces at work in controlling U.S. public schools . It is the text of choice for any course that covers or addresses the politics of American education. Companion Website: The interactive Companion Website accompanying this text includes relevant data, public domain documents, YouTube links, and links to websites representing political organizations and interest groups involved in education.
