A representative selection from one of India’s leading fiction writers The most versatile writer in Malayalam today, M.T. Vasudevan Nair has published short stories, novels, screenplays, as well as articles on the state of literature and cinema in India. At the heart of this collection is The Demon Seed, a fresh translation of Asuravithu, arguably one of his best novels. Published in Malayalam in 1962, it is an uncompromising look at the crumbling matrilineal order, and the breakdown of the joint family system. The novel tells the story of Govindankutty, a young unemployed Nair boy. When his wealthy brother-in-law takes him on as the manager of his property, and a marriage is arranged for him, Govindankutty dares to dream for the first time in his life. He brings his bride home, eager to start life afresh, but discovers to his horror that she is already pregnant by another man-his urbane lawyer-cousin Krishnettan. Shattered by the knowledge that his family had connived to betray him, Govindankutty goes berserk. Finally, estranged from home and village, he converts to Islam in the ultimate gesture of defiance. Tautly written and brilliantly characterized, The Demon Seed is a powerful novel about a society in transition. The collection also brings together six of MT’s best stories, including 'Vanaprastham', The Jackal's Wedding' and 'Sherlock'. Also included are 'The Era of Ramanan', an essay on the impact of the first modern verse romance in Malayalam, and a beautifully crafted piece on contemporary cinema. Taken together, these writings are testimony to the remarkable range and depth of M.T. Vasudevan Nair's work.

National And State Literature Akademi Awardee M.T. Vasudevan Nair S Novel Is Set Against The Backdrop Of The Crumbling Matrilineal Order Of Kerala In A Newly Independent India. As Freedom And Democracy Promise Prosperity, A Young Upper Caste Boy Full Of Idealism Learns To Deal With A World That Is Less Than Ideal.

This is the story of Bhima, the second son, always second in line -- a story never adequately told until one of India's finest writers conjured him up from the silences in Vyasa's narrative. M.T. Vasudevan Nair's Bhima is a revelation -- lonely, eager to succeed, treated with a mixture of affection and contempt by his Pandava brothers, and with scorn and hatred by his Kaurava cousins, Bhima battles incessantly with failure and disappointment. He is adept at disguising his feelings, but has an overwhelmingly intuitive understanding of everyone who crosses his path. A warrior without equal, he takes on the mighty Bakasura and Jarasandha, and ultimately Duryodhana, thus bringing the Great War to a close. However, all of Bhima's moments of triumph remain unrecognized and unrewarded. If his mother saw glory only in the skills of Arjuna and the wisdom of Yudhishtira, his beloved Draupadi cared only for the beauteous Arjuna.

Available in English translation, this book is one of a collection of leading Indian post-independence novels. Each text is supported with an introduction and either detailed footnotes or a glossary as appropriate. Publication coincides with the 50th anniversary of Indian independence.

Islam in India, as elsewhere, continues to be seen as a remainder in its refusal to "conform" to national and international secular-modern norms. Such a general perception has also had a tremendous impact on the Muslims of the Indian subcontinent, who as individuals and communities have been shaped and transformed over centuries of socio-political and historical processes, by eroding their world-view and steadily erasing their life-worlds. This book traces the spectral presence of Islam across narratives to note that difference and diversity, demographic as well as cultural, can be espoused rather than excised or exorcized. Focusing on Malabar - home to the Mappila Muslim community in Kerala, South India - and drawing mostly on Malayalam sources, the author investigates the question of Islam from various angles by constituting an archive comprising popular, administrative, academic, and literary discourses. The author contends that an uncritical insistence on unity has led to a formation in which "minor" subjects embody an excess of identity, in contrast to the Hindu-citizen whose identity seemingly coincides with the national. This has led to Muslims being the source of a deep-seated anxiety for secular nationalism and the targets of a resurgent Hindutva in that they expose the fault-lines of a geographically and socio-culturally unified nation. An interdisciplinary study of Islam in India from the South Indian context, this book will be of interest to scholars of modern Indian history, political science, literary and cultural studies, and Islamic studies.

Kuttiedathi and Other Stories is a careful collection of ten short stories. This collection brings together some of the most well known stories of M T Vasudevan Nair, fairly representative of his literary works. Written over a broad span of time from 1962 to 2000, the stories collected here reflect the built-in variety of his fictional concerns and the changing tones of his narration.

This is a collection of two short novels Mist and Creature of Darkness. Mist is the story of a young, resident school teacher at a school on a hill station, waiting for the man who had befriended and deserted her during a tourist season nine years ago. Creature of Darkness is the heart wrenching story of a 21 year old man, regarded as a Lunatic by everyone and treated abominably. The story reveals the insanity behind the civilised and supposedly sane world.
