Of Mice and Men takes place during America's Great Depression, which lasted from the Stock Market Crash of October 1929 until 12 years later when World War II began. One result of the Depression was a lack of steady jobs, which resulted in an increase in the number of itinerant workers. For the most part, these itinerant workers were men who traveled from town to town seeking short-term employment.

Of Mice and Men – Character study of Slim. August 26, 2020 by Essay Writer. Of Mice and Men is set in California during the 1930s. This is an important time in US history because it was the time of the Great Depression, which did not end until the start of the Second World War. During this period of failed businesses, harsh poverty and long-term unemployment, many migrant workers came to California from other parts of America in search of work.
