The series authentically captures military culture, providing a glimpse into a lifestyle that the civilian world rarely sees through a sci-fi lens. Kloos recently published the sixth installment of...

Frontlines is an action-packed military sci-fi series that ... Perhaps Points of Impact is not as battle action packed as previous books in the series, but it is nevertheless far superior to most other military S.F.books around, maturing the character of Andrew.as he meets the occasional old friend and enemy, and still survives after ten years of service when so many of his entry time have died.
