The Number one, bestselling title in this new spin-off series from Percy Jackson creator, Rick Riordan. OLD ENEMIES AWAKEN AS CAMP HALF-BLOOD'S NEW ARRIVALS PREPARE FOR WAR When Jason, Piper and Leo crash land at Camp Half-Blood, they have no idea what to expect. Apparently this is the only safe place for children of the Greek Gods - despite the monsters roaming the woods and demigods practising archery with flaming arrows and explosives. But rumours of a terrible curse - and a missing hero - are flying around camp. It seems Jason, Piper and Leo are the chosen ones to embark on a terrifying new quest, which they must complete by the winter solstice. In just four days time. Can the trio succeed on this deadly mission - and what must they sacrifice in order to survive?

Jason has a problem. He doesn't remember anything before waking up on a school bus holding hands with a girl. Apparently she's his girlfriend Piper, his best friend is a kid named Leo, and they're all students in the Wilderness School, a boarding school for "bad kids." What he did to end up here, Jason has no ideaexcept that everything seems very wrong.

Percy is confused. When he awoke after his long sleep, he didn't know much more than his name. His brain-fuzz is lingering, even after the wolf Lupa told him he is a demigod and trained him to fight. Somehow Percy managed to make it to the camp for half-bloods, despite the fact that he had to continually kill monsters that, annoyingly, would not stay dead. But the camp doesn't ring any bells with him. Hazel is supposed to be dead. When she lived before, she didn't do a very good job of it. When the Voice took over her mother and commanded Hazel to use her "gift" for an evil purpose, Hazel couldn't say no. Now, because of her mistake, the future of the world is at risk.

Working together!and sleeping together? Piers's relationship with Georgia was strictly businesspure and simple. This should have made their living under the same roof a relatively straightforward affair. But, somehow, Piers couldn't stop her from stealing into his thoughts. He wasn't a man to act on impulse. He had managed to resist her!so far! And then one intimate night, business became steamy pleasure.

In The Son of Neptune, Percy, Hazel, and Frank met in Camp Jupiter, the Roman equivalent of Camp Halfblood, and traveled to the land beyond the gods to complete a dangerous quest. The third book in the Heroes of Olympus series will unite them with Jason, Piper, and Leo. But they number only six--who will complete the Prophecy of Seven? The Greek and Roman demigods will have to cooperate in order to defeat the giants released by the Earth Mother, Gaea. Then they will have to sail together to the ancient land to find the Doors of Death. What exactly are the Doors of Death? Much of the prophecy remains a mystery. . . . With old friends and new friends joining forces, a marvelous ship, fearsome foes, and an exotic setting, The Mark of Athena promises to be another unforgettable adventure by master storyteller Rick Riordan.

In this exciting second installment of the three-book series, Carter and Sadie, offspring of the brilliant Egyptologist Dr. Julius Kane, embark on a worldwide search for the Book of Ra, but the House of Life and the gods of chaos are determined to stop them.

But there in the camp she meets a kind young prince, swordsman Chao Lin, and falls in love... Though their happiness is short-timed - a war starts between the young princes and the chief, and Chao and Cherrie get to be separated. USA TODAY bestselling author Kathryn Shay spent five years riding fire trucks with a large city fire department, eating in their firehouses and interviewing hundreds of America's Bravest. Read the novels that resulted from her intense relationship with firefighters! !Shay writes an emotion-packed story. With angst and some hot sex, this dramatic tale also has a nice touch of humor.! RT Book Reviews Ian Woodward, one of the firefighter heroes of the 9/11 terrorist attack, lost the use of his legs on that horrific day. When Ian starts teaching at the Hidden Cove Fire Academy, he finds meaning in his life again. But he vows never to accept the love of beautiful Broadway star Lisel Loringuntil a deluded fan starts stalking her. Disgraced cop, Rick Ruscio becomes her bodyguard, but it's his community service at a local preschool, where he meets teacher Faith McPherson, that completely turns his life upside down. Both men must deal with their issues and accept the strong women who love them. "The talented Shay offers another heartwarming tale of brave men and women." Booklist !I was profoundly moved by this book in a way that I haven't often been moved by a romance novel. It speaks of redemption, forgiveness and the transcendent healing power of love. I know that I will be reading this one again. All About Romance
