Services Marketing 6th Edition

Zeithaml

Services Marketing, 6/e, is written for students and businesspeople who recognise the vital role that services play in the economy and its future. The advanced economies of the world are now dominated by services, and virtually all companies view service as critical to retaining their customers today and in the future.

Services Marketing | McGraw Hill  
Higher Education

Services marketing strategy focuses on delivering processes, experiences, and intangibles to customers rather than physical goods and transactions. It involves integrating a focus on the customer throughout the firm and across all functions. All company functions – marketing, selling, human resources, operations, and R&D – must work together to create effective services marketing strategy.
