4 reviews of Smile More Dentistry "I went to their location on 19 Legion St. in Bergenfield, NJ. I can't say enough about the fantastic, high-quality service and facilities at this place. The environment was extremely comfortable, with top of the line equipment. I especially liked the complimentary paraffin wax for the hands. They honored my group-on coupon with no complaint.

star. What would you do if you woke up to a world with no grown-ups? When all the parents in the world disappear, most kids think this is amazing! They can finally run wild and eat candy for breakfast, lunch, and dinner. But Lucy Dungston wants to get her mom back, especially because her dad disappeared not long ago. Lucy wants the truth, and she's convinced that the creaking sounds that come from under her bed can lead her to it. Creak . . . creak . . . That's when Lucy meets the Creakers, a bunch of sticky, smelly creatures who live under children's beds. This troublesome bunch has taken all the grown-ups to an upside-down world called the Woleb. Lucy must act fast if she wants to rescue the grown-ups, because adults who stay in the Woleb too long start becoming Creakers!

Unique in its field, the Encyclopedia of Primary Education brings together a wide-ranging body of information relating to current educational practice in a single indispensable volume. This book provides a series of descriptions, definitions and explanations that engage with important practical and conceptual ideas in primary education and contains over 500 entries incorporating: Curriculum subjects, themes and topics Theories, policies and educational controversies Pedagogical terms relating to teaching and learning Commentaries on current issues in primary education Influential figures in education, both past and present The impact of educational research on policy and practice Based on the author's extensive experience in primary education, entries combine an interrogation of educational concepts with the pedagogical and practical implications for classroom practice, children's learning and school management. This handy reference work will be invaluable to anyone currently teaching or training to teach at primary level, teaching assistants, school governors and parents. In fact it is essential reading for anyone with an interest and passion for primary education.
