Get Free The American

Paradox Care

The “American
Healthcare
Paradox” of why
America spends
comparatively so
much on
healthcare yet
receives so
little is
unraveled when
social spending
is considered:
America

Get Free The
American
Health Care
Paradox: Why
Spending More
Is Getting Us
Less

comparatively
spends an
average amount
on the sum of
medical and
social spending
and therefore
has middling
results.

countries. 1
Spending More

There appears to
be something

uniquely

American about

spending more on
health care and
getting less

health. The

American health
care paradox—the
existence of

Get Free The American

high spending on
health care and
poor health—can
be resolved when
we step back to
consider what it
is that produces
a healthy
population.

American health
care
paradox—high

Less

spending on
health care . . .
The new math
unraveled the
paradox. If we
add together
what countries
spend on health
care and what
they spend on
social services,
the United
States' place in
the ranking of

Get Free The American
