Updated in its 13th edition, Joseph DeVito's The Interpersonal Communication Book provides a highly interactive presentation of the theory, research, and skills of interpersonal communication with integrated discussions of diversity, ethics, workplace issues, face-to-face and computer-mediated communication and a new focus on the concept of choice in communication. This thirteenth edition presents a comprehensive view of the theory and research in interpersonal communication and, at the same time, guides readers to improve a wide range of interpersonal skills. The text emphasizes how to choose among those skills and make effective communication choices in a variety of personal, social, and workplace relationships

Written by leading scholar and award-winning teacher Julia T. Wood, INTERPERSONAL COMMUNICATION: EVERYDAY ENCOUNTERS, 8e relates theory and skills directly to students' everyday interactions as it delivers a solid introduction to interpersonal communication. Completely up to date, the new Eighth Edition integrates the latest communication research, including findings from more than 125 new sources. Reflecting the author's expertise in gender and social diversity, the text includes an unparalleled focus on diversity. The new edition also features increased coverage of social media and an expanded emphasis on ethical choices. It addresses such timely issues as emotional intelligence and forgiveness, interracial relationships, safe sex, ways to deal with abuse from intimates, race-related differences between conflict styles, and the power of language. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A brief text with a strong focus on skill development Essentials of Human Communication shows how human communication skills apply to the real-world and the workplace. The text presents the fundamental skills of interpersonal, small group, and public communication while emphasizing human communication skills, cultural awareness, listening, critical thinking, ethics, and social media communication. Family Communication: Cohesion and Change encourages students to think critically about family interaction patterns and to analyze them using a variety of communication theories. Using a framework of family functions, current research, and first-person narratives, this text emphasizes the diversity of today's families in structure, ethnic patterns, gender socialization, and developmental experiences. New for the tenth edition are expanded pedagogical features to improve learning and retention, as well as updates on current theory and research integrated throughout the chapters for timely analysis and discussion. Cases and research featured in each chapter provide examples of concepts and themes, and a companion website offers expanded resources for instructors and students. On the book's companion website, www.routledge.com/cw/galvin, instructors will find a full suite of online resources to help build their courses and engage their students, as well as an author video introducing the new edition: Course Materials Syllabi & Suggested Calendars Course Projects & Paper Examples Essay Assignments Test/Quiz Questions and Answer Keys Case Studies in Family Communication Family Communication Film and Television Examples Family Communication in Literature Examples Chapter Outlines Detailed Outlines Discussion Questions Case Study Questions Sample Chapter Activities Chapter PowerPoint Slides

The tenth edition of A First Look at Communication Theory justifies again the program's enduring popularity. Griffin, joined by colleagues Andrew Ledbetter and Glenn Sparks, encourages students who are encountering the field for the first time to tackle theories without fear. The authors introduce 32 diverse theories that are a mix of foundational and recent scholarship and, with the benefit of numerous examples and connections to pop culture, help students apply them to their own lives. This program ensures that students have a solid foundation with which to begin understanding the relationships between theories. Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw-Hill Connect® is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following: SmartBook® - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content. Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course. Progress dashboards that quickly show how you are performing on your assignments and tips for improvement. The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping. Complete system requirements to use Connect can be found here: http://www.mheducation.com/highered/platforms/connect/training-support-students.html

This best-selling textbook for introductory human communication courses places communication theory within the context of everyday skills.
