A few month ago I bought a  
2010 Bashan Peace Sports VIP  
Future Champion from a  
Scooter Rental dealer. I  
have to say that although I  
have read some real horror  
stories about these Chinese  
Mopeds I have had next to  
zero problems with my scoot  
(except for the float on my  
fuel gauge not working  
correctly), which I fixed.

i have a 2007 vip future champion with a 50cc motor and it has no spark. i replaced the cdi and still no spark. so i went for the magneto and it was busted so i thought that would be it but i got it back on and still no spark. i tested the black and red wire coming from the magneto to the cdi and it has 90 vac. the blue and yellow wire coming from the pickup is getting .1vac and a diagram i ...

~~I have a 2007 vip future champion with a 50cc motor and it ...~~

So in Feb this year I bought the new body style of the 49cc Tao Tao VIP Champion. I

# Access Free Vip Future Champion Manual

am without transportation for the next few months so i opted for something new and hoped it to be reliable. Half way through March i noticed my Fuel Gauge was not working so i took my fuel float out and noticed that the floater was missing off the float bar. When I finally fished out the remaining portion of ...
