You CAN Interview Better in 15 Minutes - Let a Hiring Manager Teach You How Stop Making Mistakes Candidates Make Over and Over Again - Do You Want the Job? Learn from my 20 years of interviewing and hiring people just like you, across multiple Fortune 500 companies. You're qualified for the job - it should be yours. Let me show you what goes through the head of the interviewer so you can use it to your advantage. An advantage others won't have. I've captured a highly condensed set of recommendations in this book that will put you in the very small set of interviewees that will stand above other candidates. Whether you are seeking an entry level or an experienced management position these recommendations will give you the edge. I see "bad" behaviors across all levels of interviews, without candidates even being aware of what they are doing that prevents them from being hired. You don't need to memorize 101 interview questions and answers. You need actual experiences from the other side of the table to guide you. Listen to Hiring Managers - Is the book you're reading now written by the person who decides to hire you, or by someone else involved in the process such as a recruiter or human resources role? If so their guidance may get you an interview, but won't give you insight into what goes through the manager's head. Scroll up and grab your copy today. Learn how to bring your BEST self to the job interview! Cover Design by Melody Simmons of eBookindiecovers

Learn what you need to succeed as a developer beyond the code. The lessons in this book will supercharge your career by sharing lessons and mistakes from real developers. Wouldn't it be

# Read Free What I Wish Every Job Candidate Knew 15 Minutes To A Better Interview

nice to learn from others' career mistakes? "Soft" skills are crucial to success, but are haphazardly picked up on the job or, worse, never learned. Understanding these competencies and how to improve them will make you a more effective team member and a more attractive hire. This book will teach you the key skills you need, including how to ask questions, how and when to use common tools, and how to interact with other team members. Each will be presented in context and from multiple perspectives so you'll be able to integrate them and apply them to your own career quickly. What You'll Learn Know when the best code is no code Understand what to do in the first month of your job See the surprising number of developers who can't program Avoid the pitfalls of working alone Who This Book Is For Anyone who is curious about software development as a career choice. You have zero to five years of software development experience and want to learn non-technical skills that can help your career. It is also suitable for teachers and mentors who want to provide guidance to their students and/or mentees.

Companies that embrace rather than deny corporate politics and learn to use it positively can boost talent retention and increase diversity. The book reveals how to navigate a successful course through the corridors of power with strategies for common scenarios such as managing new bosses, recognizing barriers in selling ideas or getting promoted, surviving racism and sexual harassment. It also shows professionals how to create a personal power map and harness the power of positive politics without compromising their integrity or values. It includes

\*\*\*#5 WALL STREET JOURNAL BESTSELLER\*\*\* An essential roadmap to achieving professional and personal success—from the “First Lady of Sales” While you may not have “sales” in your title, that doesn’t mean you don’t have to sell. Renowned sales authority Dr. Cindy McGovern believes that everyone is a salesperson, regardless of his or her job description. When you ask for a referral, network to form a new connection, or interview for a job, you’re selling the other person on an ideal version of yourself. Every Job is a Sales Job will help you learn to identify “selling” opportunities that you may have overlooked. This indispensable roadmap will show you how to take control of your personal and professional success. McGovern shares her proven 5-step sales process to help you attract new business, retain existing customers, and spot opportunities to promote yourself and your ideas. You’ll learn how to:

- Create a plan and set attainable goals
- Identify subtle opportunities that could result in future success
- Establish trust and listen for clues to understand what others need
- Ask for what you want and move past the fear of rejection
- Follow up on your ask, be grateful, and pay it forward
- Muster up the courage to ask for referrals and references

I Wish I Had Time is a bildungsroman that traces Tejas's transformation from being young boy with potential to being a business magnate. It is a series of his interaction with his past and also his own soul who in this journey keeps guiding him and informing him of his mistakes in the past. We see glimpses of Tejas's life as he's on his deathbed, reminiscing every trial and happiness that he faced in life. He was no saint and he had his own share of mistakes, but all said and done, his experiences and insights are lessons to everyone who is willing to learn from it. I Wish I Had Time is a saga of a man's journey where he learns that choices, changes
