A technological trio of broad economic forces has come together in the last thirty years to cause higher education costs, and costs in many other important service industries, to rise much more rapidly than the inflation rate. The main culprit is economic growth itself. This finding does not mean that all is well in American higher education.

Why Does College Cost So Much? - Oxford Scholarship

More than ever, a college degree is critical to getting the kind of job that can let you support a family and save for the future. At the same time, the total cost of a college education — tuition, fees, room and board, and books — is skyrocketing out of reach of the average American family.

10 Reasons College Costs So Much | HowStuffWorks

The major college costs that students are responsible for include tuition, fees, room, and board. Tuition & fees are generally lumped together, as are room & board costs. All of these expenses (plus a few minor others) are equal to the total amount it costs for a student to go to school for one year, otherwise known as the Cost of Attendance.

Why Is College So Expensive? Rising College Costs, Explained

The more college costs, the harder a postsecondary education seems to be to attain. The more student loan debt young people have, the longer they may delay doing “grown up” things like buying a house or starting a family.

Why Does College Cost So Much?. Hint: it's not rising ...

Why Is College So Expensive? Current and prospective college students might not fully understand just how much a college degree is going to cost them, but recent college graduates sure do. According to recent studies, the average student graduates with about \$24,000 dollars worth of student loan debt, and Americans are now in more debt due to student loans than due to credit cards.

Why Does College Cost So Much? [Hardcover]: Amazon.co.uk ...

Colleges can and must be more efficient and productive; colleges can and must make some difficult choices in order to remain affordable. But, ironically, colleges have become so expensive in part because we have demonstrated our economic value through the increased cost of hiring the very people to whom we grant degrees.

Why Does College Cost So Much? | HuffPost

College costs so much because the government interferes. The government sets the interest rate for college loans, guarantees repayment of the loan, and provides much of the money. As a result, any lender will be happy to give college money to anyone who asks for it, regardless of the borrower’s fitness for college, or the fitness of the borrower’s college to provide a useful education.
